

Pure-Chel™ Magnesium Bisglycinate Unlock Superior Bioavailability

A premium, fully chelated form of magnesium validated through a four-step process. Bounded with two glycines for superior absorption, supporting muscle relaxation, stress relief, and restful sleep. Its high bioavailability ensures your body quickly receives the essential magnesium it needs to enhance overall wellness.

ABOUT

Magnesium is essential for over 300 enzymatic reactions in the body. Our Pure-Chel™ Magnesium Bisglycinate features a fully chelated structure that enhances absorption and bioavailability, ensuring optimal effectiveness. This formulation is gentle on the stomach, minimizing side effects like diarrhea. Verified through a rigorous four-step validation process, Pure-Chel™ Magnesium Bisglycinate offers higher magnesium content compared to other market competitors, making it your best choice for a fully chelated magnesium supplement.

Benefits

- Fast absorption with high bioavailability ^{[1][2]}
- Gentle on the stomach, highly tolerable ^{[1][3]}
- Reduce pregnancy-induced leg cramps^[4]
- Promote deeper, more restful sleep ^{[5][6]}
- Support muscle relaxation and speeds recovery ^[7]
- Help manage everyday stress and anxiety
- Contribute to strong and healthy bones

Our Advantages

- Fully chelated for optimal absorption
- Chelation verified by patent-pending four-step validation process
- Crystallization for unmatched purity
- Robust quality control
- cGMP-certified factory

How Does it Work

Four Step Validation

1. Crystalline Uniformity: Ensures consistent crystalline structure
2. Chelation Verification: Confirms chelation via FTIR
3. Molar Ratio Analysis: Verifies 1:2 magnesium to glycine ratio
4. Purity Assessment: Confirms > 99.5% purity

Specifications

TYPES	SPECS	FORMULATIONS	DOSAGE FORMS	APPLICATIONS
Powder	11.4% 18% BUFFERED 30% BUFFERED	Magnesium Supplement: Magnesium bisglycinate + MgO Bone Health: Magnesium bisglycinate + Calcium bisglycinate + Vitamin K2 + Vitamin D3 Sports Nutrition: Magnesium bisglycinate + Creatine + BCAAs	Capsule Liquid Stick Powder	Dietary Supplements Sports Nutrition Beverage Dairy Products Powdered Drinks
DC Granular	13%	Stress and Mood Support / Restful Sleep: Magnesium bisglycinate + Ashwagandha + GABA + L-theanine	Tablet	Food for Special Medical Purpose

You may claim

- Promotes restful sleep
- Contributes to healthy bones, joints, and muscles
- Supports muscle relaxation and recovery
- Helps manage everyday stress
- Gentle on the stomach
- High bioavailability
- No allergens & Non GMO
